PRESIDENT'S MESSAGE

Quoting from the Bylaws for the Friends of the Fallbrook Library, "The sole purpose of this Corporation shall be the enrichment and enhancement of the Fallbrook branch of the San Diego County Library and to assist the function of this cultural facility in any manner deemed beneficial by this Corporation".

Each year the Board of Directors for the Friends develops a budget with the branch manager and the librarians responsible for programs geared toward children, tweens, teens and adults in an attempt to comply with the above purpose. In some ways the purpose has been expanded to include items which need to be upgraded or replaced to support these programs. Thus is the past year it has been necessary to upgrade equipment in the following areas (photos below and on page 3):

1. Furniture in the Reading Garden;
2. Furniture in the Poet's Patio;
3. Computers in the Children's Area;
4. Benches on the sidewalk in front of the library which had been severely damaged as a result of skateboarders using them as launching pads for their speedy trips down the sidewalk.

A project which has just been approved is to replace the screens for the projectors in the Community Room. Though there are many works of art on display throughout the library one item which was added as a enrichment this past year is the Story Time sculpture which has a new home near the help desks in the main lobby. We sincerely hope membership of the Friends agree with these steps taken to comply with the purpose of the Corporation as stated above.

Sincerely,
Tom Mintun
